

NIVE FORMS WEB-FORM SOLUTION

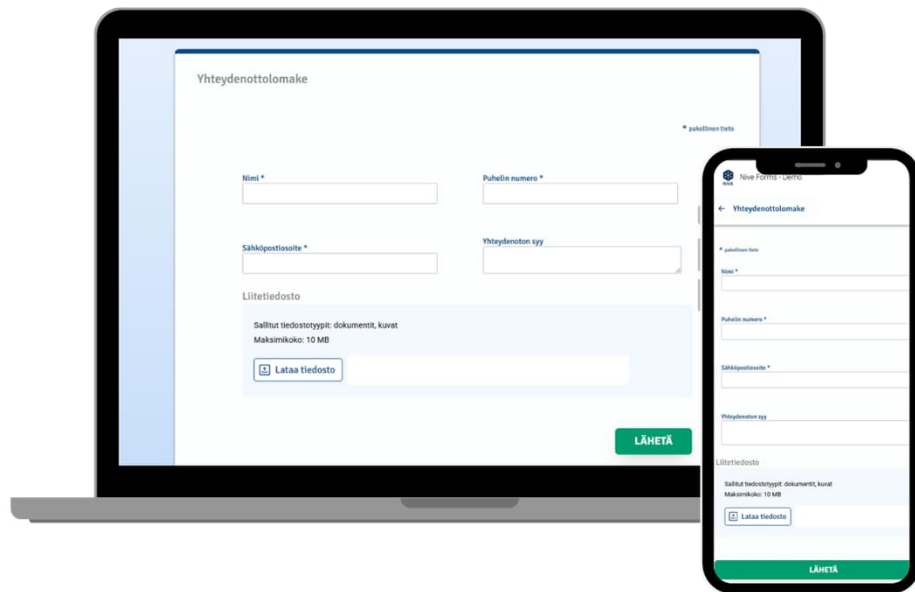

M-Files.

NIVE 
Information Technology

NIVEforms

Nive Forms is a web-based application for creating and managing forms, integrated with M-Files.

M-Files.

Nive Forms' integration ensures that all form data is automatically stored and organized in M-Files

Nive Forms meets GDPR standards

The solution supports anonymous and strong (Suomi.fi) authentications.

A single solution can meet the form data collection needs of the entire organization

METADATA
